*Hazel Snow has always been alone.* Adopted as a baby and shuffled from home to home, she's never truly belonged anywhere . . . and has always yearned to know the truth about where she comes from. So when she receives three stunning, magical dresses—each with the power to grant one wish—Hazel wishes to know her mother.

Transported to a time and place she couldn't have imagined, Hazel finds herself living an alternate life—a life with the mother she never knew. Over the course of one amazing, unexpected, and miraculous summer, Hazel finds her home, falls in love, and forms the most important friendship of her life. But will her search to uncover her past forever alter her future?

In the heart-pounding, luminous sequel to *Wish*, Alexandra Bullen asks the question: *If you could wish for a new life . . . would you?*
